I. Medieval world contacts and comparisons  
J. Roots of the modern before 1500

VI. Educational Goals and Learning Outcomes

**Educational Goals**

Students will:
1. use the information provided by text and readings to understand better the historical process by which the world changed over most of the last ten thousand years. (GE 4)
2. recognize the difference between historical explanation and ethical issues. (GE 5)
3. provide explanations for specific important changes in human history. (GE 1)
4. determine what evidence may be needed to evaluate different theories (GE 1)

**Learning Outcomes**

Students will be able to:
1. Cite three stages of human history.  
2. Compare the characteristics of two ancient civilizations.  
3. Describe the major strengths and weaknesses of the first city based state societies.  
4. Cite the development of two great religious traditions  
5. Compare at least two classical civilizations or empires.  
6. Compare the spread of at least two salvation religious traditions.  
7. Compare and contrast two medieval civilizations.  
8. Identify and explain the significance of the major regional civilizations of world history before 1500.

VII. Modes of Teaching and Learning

The primary formats, modes, and methods for teaching and learning may include:
- lecture/discussion
- individual or small-group exercises
- independent study
- film

VIII. Papers, Examinations, and other Assessment Instruments
Assessment methods used may be:
- class participation
- written examinations
- notebook/journals
- papers

IX. Grade Determinants

In order to evaluate achievement of the goals and outcomes listed above, possible grade determinants may include:
- active participation in class discussions
- three examinations
- notebook/journals

X. Texts and Materials

Samples of specific texts that may be use:

Reilly, Kevin, The West and the World to 1700
Reilly, Kevin, Worlds of History: A Comparative Reader
Reilly, Kevin and Robert Strayer, The Human Journey

XI. Resources

- Library for reserve materials
- Computer access for films and web sites.

Revised 9/10/06
